

Exercise 6F

Instructions:

1. Start a **New** file using either the **inch-helper.dwt** or the **metric-helper.dwt**
2. Draw the objects below using all of the commands you have learned in the previous lessons. Use whatever layers you desire.
3. **Save** the drawing as: **Ex-6F**

Have some fun with this one but be very accurate. All objects must intersect exactly.
Zoom in and take a look to make sure.
