ARC 2

Standard 2.00 Apply procedures to create a Floor Plan.

Objective 1

FLOOR PLAN

2.01 Apply terms and definitions and accepted principles related to single-level residential space planning.

ASSIGNMENT:

- 1) Create electronic FLASHCARDS (PowerPoint / Google Slides) that include the TERM, DEFINITION, and IMAGE for each vocabulary word listed on the left.
- 2) You should have a SLIDE that shows the course objective (Obj. 2.01.....etc.)
- 3) We will continue to ADD more information to this presentation as time goes on.
- 4) Use the ARC 2_VOCABULARY BOOKLET to get definitions (DO NOT use definitions found on internet as the test questions will be coming from this booklet).
