

## STATUS BAR TOOL BUTTON DESCRIPTIONS

I have enabled all the tool buttons and broken them down into two sections starting from the left-hand side.

## The following commands should be included in your NOTES:

- |                                  |  |
|----------------------------------|--|
| 1) <i>COORDINATES</i>            | 20) <i>AUTOSCALE</i>                   |
